Directors/Principals

All Constituent colleges/Affiliated colleges, MRSPTU, Bathinda

**Subject : Regarding Admit Cards and filling examination forms**

This is to inform all that the students who had not cleared the dues of the colleges have been deactivated and the students are not be able to download the admit cards. This has been done on the basis of the list provided by the colleges. It is expected that these students would clear their dues soon and immediately after this they are to be provided admit cards. Keeping this in view, the rights for activation of students (who will clear the dues now) have be given to the colleges/HODs. Moreover the college/HOD shall be able to give admit cards from their Ids to those students also who have filled or are going to fill examination forms after 28/06/2020.

The colleges are required to ensure that all the students must fill the examination forms. The students giving the practical examinations should have the downloaded admit card with him/her.

The students facing difficulty in filling online examination form are required to send the mail with his/her details along with payment receipt at supportexam@mrsptu.ac.in.
